# KETCHIKAN PIONEER HOME

VOLUME 13, ISSUE 8

AUGUST 2015

## GREETINGS FROM THE ADMINISTRATOR

The Ketchikan Pioneer Home is proud to announce that we have fully implemented our Point Click Care medical records system. We began roll out in October of last year and have been working on staff training and implementation of different phases. Though we are still tweaking the system to work better for us, we are excited to be

up and running with our new system. We have also been working to streamline positions and gain efficiency. Mark Schiller is our new Maintenance Foreman and he will also be serving as our new Environmental Services Foreman. Though this merging of positions will be a challenge we continue to work to find ways to run our operation with more value while continuing to maintain the

quality that the residents deserve. If you are not already doing so, please consider receiving your newsletter via email to help us reduce the cost of paper and postage. Thanks very much!

*Julie Sande, Administrator*

## ELEVATOR IS OUT

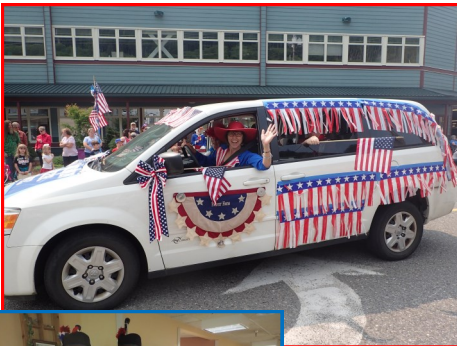

We are so sorry for the inconvenience but our elevator has been on our list of needed repairs for many years and we are finally to a point where it must be repaired for the safety of our residents, staff, and visitors.

The elevator will be out of commission beginning August 10-September 15th.

Please be aware that resident transports will need to occur from the Bryant Street exit or from the back preschool area. Please let us know if you have any special needs related to this replacement and thank you for your patience and kindness during this busy time.

## FOURTH OF JULY FUN

Thanks to Tongass Federal Credit Union for saving us a spot to watch the parade again this year. The weather was gorgeous and it was the perfect place to watch the festivities. We were so happy to wave to our very own Pioneer Home van since this year's theme was all

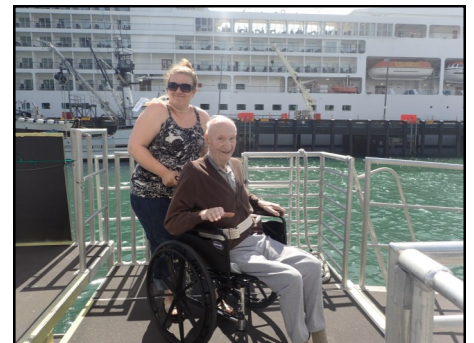

about honoring the Pioneers! Thanks also to Misty Thistle bagpipers, Drum Corp and Dancers. What a fine group of talented folks and we are so pleased that they continue to grace us with their presence every Fourth of July!

## ALLEN MARINE TOUR SUCCESS

Special thanks again to Allen Marine Tours and the folks at Holland America Princess Tours for giving the residents an opportunity to go for a boat ride. We appreciate the generosity and loved seeing the unusual color of the water that we had been reading about in the newspaper.

## GARAGE SALE SUCCESS

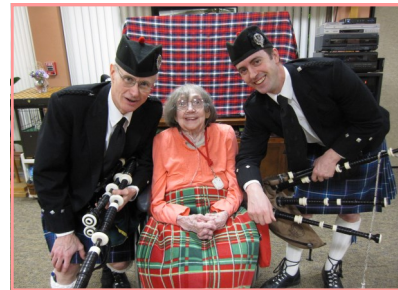

The annual KPH Garage Sale was a whopping success! We raised over \$7,400 through the sale of baked items and lots and lots of donated treasures. As in previous years, we are blown away by the support of our community. This sale would most definitely not be possible without the help of our community and our volunteers.

**Thanks so much Ketchikan!**
